ABOUT THE SHOW:

You can see it ... You can experience it ... You won't believe it! KÀ, the unprecedented, gravity-defying production by *Cirque du Soleil* takes adventure to an all-new level. Be awed by a dynamic theatrical landscape, as an entire empire appears on the KÀ colossal stage and a captivating display of aerial acrobatics envelops the audience. Witness the extraordinary performance that TIME Magazine calls “Bigger than Vegas.”

KÀ : FUN FACTS

- The stage at KÀ rotates **360 degrees**.
- Each night, **two tons of granular cork** (one ton per show) simulates sand in the Wash-up scene.
- During pre-show **120 fireballs are discharged** measuring 30 ft in height and reaching temperatures of 1200 degrees Fahrenheit.
- More than **110 live arrows are shot through the air** at each performance. The artists spend many hours in training to learn proper archery techniques.
- The boat in the Storm scene **weighs 1,800 pounds** and is completely manipulated on stage by the artists.

“Sumptuous music, an engaging story, ***jaw-dropping visual grandeur***... KÀ is great theatre.”

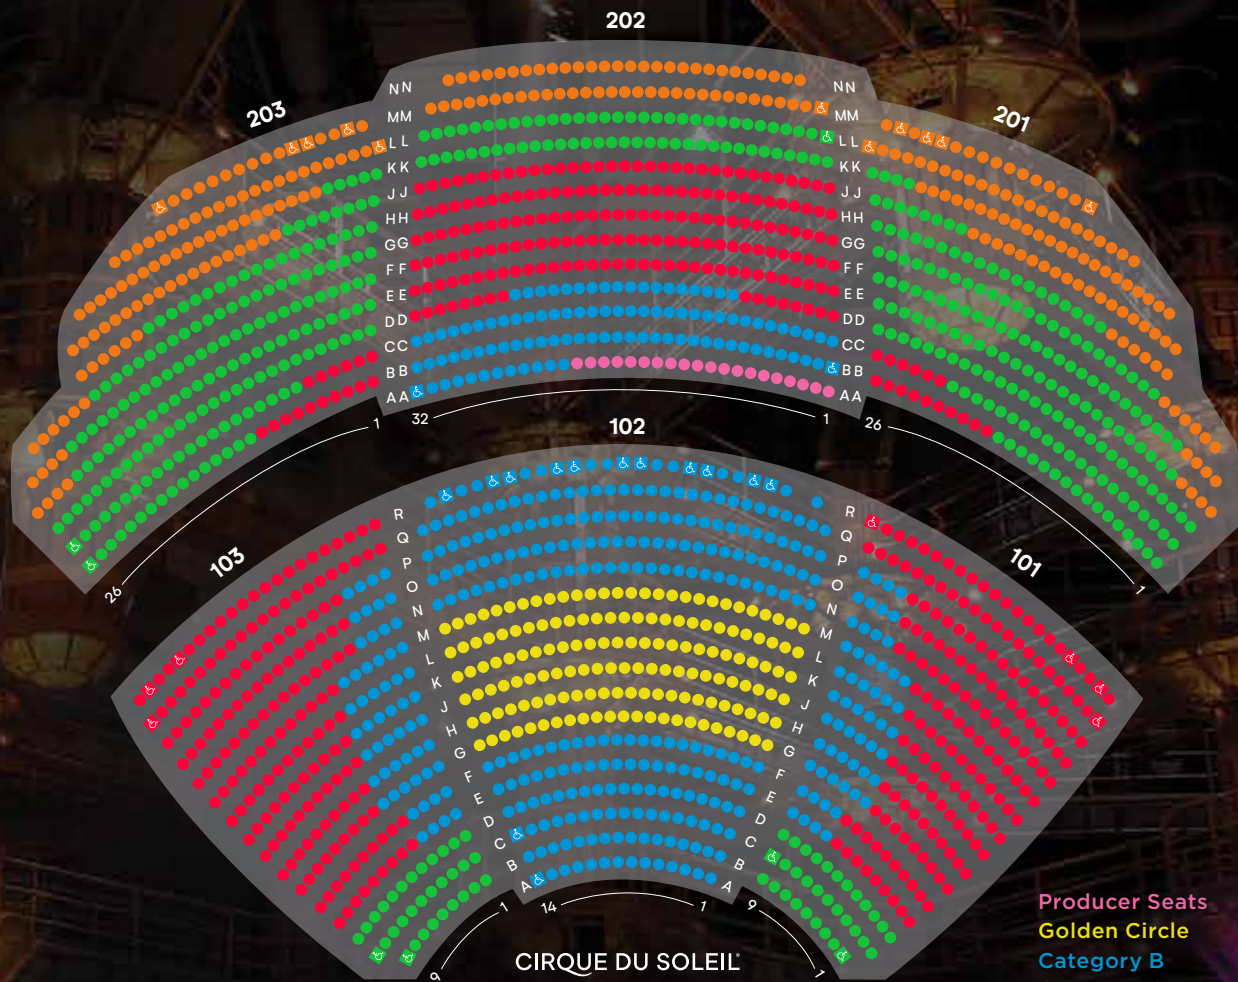

—*TIME Magazine*

“The imagery in KÀ is ***simply staggering***. And gorgeous.”

—*Chicago Tribune*
