

SPOTLIGHT ON

MJ THE MUSICAL

Why Is *MJ* Broadway's Hottest New Musical? Watch This!

He is one of the greatest entertainers of all time. Now, Michael Jackson's unique and unparalleled artistry is on Broadway in a brand-new musical that's become a must-see for visitors to NYC.

MJ is centered around the making of his 1992 Dangerous World Tour, created by Tony Award®-winning Director/Choreographer Christopher Wheeldon and two-time Pulitzer Prize winner Lynn Nottage. *MJ* goes beyond the singular moves and signature sound of the star, offering a rare look at the creative mind and collaborative spirit that catapulted Jackson into legendary status.

The story gets deep into the creative process, as Michael rehearses numbers, recounts stories, and in dazzling flashback sequences, relives the highs and lows of a lifetime in the public eye. Tony®-winner Myles Frost doesn't just become the King of Pop onstage; he brings the audience on a journey and shares all the talent, passion, pain, and joy of one of the greatest icons of our time.

The video above is just one small piece of the musical's appeal. At the top of the show, the Dangerous dancers and creative team get ready to start rehearsal—a small preview of how Wheeldon weaves Jackson's iconic choreography with his own vision. As the dancers get moving, the audience hears the

first strains of the Thriller album's smash-hit "Beat It." Michael enters, and the real magic begins.

"Beat It" is just one of 25 Michael Jackson hits audiences get to experience in this non-stop musical journey. *MJ* allows everyone to rediscover the man in the mirror—with an explosion of music and theatricality as unforgettable as the artist himself.

There are so many reasons why audiences from around the world are coming to Broadway to see this blockbuster new musical. Because of its popularity, tickets for *MJ* should always be purchased ahead of time, so get yours and experience the life and music of one of the greatest entertainers in history.

But don't take our word for it:

FOR THE BEST SEATS AND PRICING, BOOK YOUR *MJ* TICKETS BEFORE YOU TRAVEL!

Want to See a Hot Broadway Show Like *MJ*? Buy in Advance!

It goes without saying (but we'll say it anyway) that if you're visiting New York City, you absolutely must see a Broadway show. The best way to make sure you can see a popular show, is by booking tickets in advance.

"Why can't we just wing it once we get there?" If you like to leave things up to Lady Luck, that's on you, but consider a few of these things first:

- You arrive, and the show you had your heart set on seeing is completely sold out.
- You manage to find some last-minute tickets, but the prices are way higher than you expected them to be. Or you can't trust the ticket seller!
- You get so caught up in the sights and sounds of NYC that you don't want to waste time standing in line for the possibility of getting tickets.

Avoid all that uncertainty and stress, and get tickets in advance. Take *MJ*, for example. It's a super popular show, and one you'll definitely

want to see while you're here. *MJ* goes beyond the singular moves and signature sound of the King of Pop, offering a rare look at the creative mind and collaborative spirit that catapulted Jackson into legendary status. *MJ* is a hot pick among visitors to NYC, and trying to get last-minute tickets may leave you out in the cold.

So, if you wanna be starting something (see what we did there), book your tickets to see *MJ* today, knowing your dates and seats will be secured—and that you got them at a fair price. Trust us when we say, you don't want to go home without seeing a Broadway show.
